

Pacific Platform for Disaster Risk Management

2nd Pacific Regional Disaster Risk Management Meeting for Pacific CEOs of
Finance/Planning and Disaster Management

14th – 15th May 2009

Nadi FIJI

Theme: Disaster Risk Management for Sustainable Development in Pacific Island Countries - The Need for Leadership by Central Agencies

Objectives

1. Strengthen the ownership and leadership of the DRR change process by central agencies within Pacific governments
2. Increase the understanding of the progress of implementation of the Pacific Disaster Risk Reduction and Disaster Management Framework for Action 2005 – 2015: Building the Resilience of Nations and Communities to Disasters
3. Discuss the main policy recommendations and inputs which the Pacific Regional Platform will convey to the Global Platform for Disaster Risk Reduction, June 16th – 19th 2009, Geneva
4. Discuss opportunity for South – South Cooperation and Learning: The Experience of the Caribbean
5. Discuss opportunities to enhance the sustainable development of Pacific countries through the strengthening of integrated water resources management, improved risk financing mechanisms and improved information and data baselines.
